READ—

Report on the Working of the Kunigal Stud Farm for the year 1933-34 received with the Chief Commandant's letter No. C. 49—34-35, dated 16th November 1934.

ORDER No. G. 5915—MILY. 102-34-5, DATED BANGALORE, THE 14—17TH DECEMBER 1934.

The number of stallions at the beginning of the year was four out of which, stallion "Rostrum" died of Syncope and "Old Drury" was destroyed on account of his developing Paraplegea.

There were 26 brood mares and 12 brood mare foals at the beginning of the year. Additions by purchases, presentations, births, and transfers, etc., were six and ten, respectively. Thus, at the close of the year, there were two stallions, 23 brood mares and ten foals at the Farm.

Forty-five Government mares were covered.

A total sum of Rs. 21,383-7-0 was realised by the sale of horses including the cost of griffins sold in the previous year, as against Rs. 16,146 realised last year. The larger receipt this year is due to the rigid casting of all animals not up to standard.

The total receipts of the Farm from all sources amounted to Rs. 26,909-11-7 and the expenditure to Rs. 44,313-1-1. The net expenditure on account of the maintenance of the Farm was thus Rs. 17,403-5-6 against Rs. 45,427 during the previous year.

R. RANGA RAO,
Chief Secretary to Government.
